The performance data quoted represents past performance. Past performance does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost and current performance may be lower or higher than the performance quoted. The investment manager has contractually agreed to waive a portion of its fees through the period ending January 28, 2011. If such fee waivers were not in effect, returns would be reduced. For performance data current to the most recent month end, please call 1.800.445.1341, or visit our website at www.cnicharter-cma.com.

Total returns presented for periods less than 1 year are cumulative, returns for periods greater than 1 year are annualized.

DIVERSIFIED EQUITY FUND

Class N Shares Mutual Fund Report

Investment Objective

The Fund seeks to provide long-term capital growth.

Investment Strategy

Broad diversified equity fund with a tilt towards value in style. Utilizing a multi-manager approach, the Fund invests to provide exposure to equity securities that are perceived by the Advisor to be undervalued relative to their intrinsic value.

Diversification is a useful risk management tool.
