The performance data quoted represents past performance. Past performance does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost and current performance may be lower or higher than the performance quoted. The investment manager has contractually agreed to waive a portion of its fees through the period ending January 28, 2010. If such fee waivers were not in effect, returns would be reduced. For performance data current to the most recent month end, please call 1.800.445.1341, or visit our website at www.cnicharter-cma.com.

Total returns presented for periods less than 1 year are cumulative, returns for periods greater than 1 year are annualized.

Socially Responsible Investment Guidelines

The Fund follows the U.S. Conference of Bishops guidelines for responsible investing. The investment process researches the investment profile of companies and seeks both to include "responsible" corporate citizens and to exclude "irresponsible" ones, as shown below.

Stocks Restricted from the Fund - Companies in the following business lines are screened out:

- Tobacco
- Alcohol
- Gambling
- Abortion
- Weaponry
- Nuclear power

Stocks Included in the Fund - Companies with the following responsible business characteristics are sought for purchase for the Fund:

- Community relations
- Corporate governance
- Employee relations
- Environmental sustainability
- Human rights
- Product safety

Using both quantitative and qualitative data, the Fund evaluates each company's involvement in specific business lines to determine whether the involvement was meaningful or simply incidental with respect to that activity.
